Company Introduction

ICM Industries

Founded in 1980, ICM Industries is a legacy-driven manufacturing company specializing in the production of high-quality cleaning materials, with a core focus on export markets. With over four decades of experience, ICM has earned a strong reputation as a trusted supplier to international partners across the globe.

Operating as a fully export-based factory, ICM Industries currently boasts a production capacity of 100,000 mops per month, powered by a skilled workforce and modern manufacturing processes. The company is now poised for significant expansion, with strategic investments planned to further scale operations and meet growing global demand. Now under the leadership of the second generation of the founding family, ICM combines deep-rooted values with a forward-thinking approach. At the heart of its operations are three guiding principles:

01 Integrity
in all business dealings

02 Transparency
across the value chain

03 Efficiency
in production and service

With these principles as its foundation, ICM Industries continues to evolve—committed to innovation, customer satisfaction, and long-term partnerships worldwide.

PRODUCT LINE:

ICM provides the option to source private-label products with various customizations. Below are the standard products which can be customized upon request of customers.

COTTON MOPS:

CUT-END MOPS:

Sizes: 8oz, 16oz, 24oz, 32oz (0.5 lb to 2 lb)

Highly absorbent due to open cotton strands and economical mops ideal for general cleaning.

LOOP-END MOPS

Sizes: 12oz, 16oz, 24oz, 32oz (0.75 lb to 2 lb)

Durable, launderable mops with reduced fraying and higher coverage.

RAYON MOPS

Sizes: 16oz, 20oz, 24oz, 32oz (1 lb to 2 lb)

Low-lint, quick-drying mops suitable for floor finishing and daily mopping.

DUST MOPS

Sizes: 18", 24", 36", 48", 60", 72" widths

Ideal for dry dusting large floor areas.
Available in cotton or synthetic yarn.

KITCHEN TOWELS

Sizes: 16"x27", 18"x28", 20"x30"

Weights: 2.5 lbs to 5.5 lbs per dozen

Absorbent and reusable towels for drying and cleaning in kitchens.

GLASS TOWELS

Sizes: 16"x26", 18"x28"

Weights: 2.8 lbs to 4.5 lbs per dozen

Lint-free towels designed for streak-free glass and mirror cleaning.

MOP RODS

Sizes: 48", 54", 60", 66"

Durable metal or fiberglass handles with threaded or clamp-style heads.

MOP CLIPS (METAL & PLASTIC)

Sizes: Universal fit for all standard

Heavy-duty plastic or metal clips for securing mop heads to handles.

ICM Industries future plans:

At ICM Industries, we are committed to continuous growth and innovation. Our future plans include significantly expanding our product range to cater to a wider spectrum of cleaning needs, including advanced microfiber solutions and specialized janitorial tools.

Simultaneously, we are investing in increasing the production capacity of our existing product lines, aiming to double output in the next phase of expansion. To strengthen our global footprint and meet international quality benchmarks, we are actively pursuing certifications for leading global cleaning standards such as ISSA, ISO, EPA Safer Choice, and Green Seal. These initiatives will position ICMI as a trusted global supplier of high-quality cleaning materials.
